

# Family Tree Trail

A young girl with brown hair, wearing a purple shirt, stands in a lush forest. She is surrounded by moss-covered rocks, ferns, and other greenery. The scene is vibrant and natural. The text 'Family Tree Trail' is written in large, bold, yellow letters at the top. Below it, several words are scattered across the scene: 'nest' near a bird's nest, 'lair' near a cave-like opening, 'wave' near a stream, 'wedge' near a rock, and 'twigwam' near a pile of twigs.

# Family Tree Trail

In June ten young carers went wild and built five new dens filled with loads of amazing free poems.

Find them all together along the Bogle Crag Trail, about an hours walk from the Visitor Centre. Can't wait? Just use your mobile to read, write + send in your own poems.
